***How many are Your works,
O LORD!
In wisdom You made them all.***

Psalm 104:24

Over 3,000 years ago, a wealthy dignitary was buried in Ancient Egypt. As part of the traditional Egyptian burial customs, his tomb was filled with various practical items such as pots and pans, furniture, food, etc. It is believed the Ancient Egyptians thought these items were for use by the deceased in the afterworld.

When this tomb was excavated a few decades ago, one such item the archaeologists discovered was a small clay jar filled with wheat. Although these wheat seeds were over 3,000 years old, the archaeologists decided to conduct a little experiment with them. The seeds were planted and watered, and then—like a farmer—the archaeologists waited. Would these seeds still be fertile after 3,000 years?

A short time later, they had the surprising answer: Yes! How is it possible that even after being entombed for over 3,000 years, those wheat seeds sprouted and grew, normal and healthy?

That is just one of the many mysterious miracles of God's creation. How do ants and honeybees work with such precise coordination? How do spawning fish, migratory birds—even

butterflies!—travel thousands of miles back to the exact same spot? As Billy asks in "The Family Circus," who taught the geese to fly in a perfect aerodynamic formation?

The solution to these puzzles is in Romans 1:19: *"Since the creation of the world God's invisible qualities—His eternal power and divine nature—have been clearly seen, being understood from what has been made."*

All around us every day, in the wonders of nature, we witness a marvelous testimony to God's glory! As Hebrews 11:3 says, *"By faith we understand that the universe was formed at God's command."*

This Spring, as you once again behold the greening of the grass, the leafing out of the trees, the blooming of the flowers, and the maturation of the wheat, contemplate the power and wisdom of the Creator and give thanks for the miracle of life.

*O Lord my God,
When I in awesome wonder
Consider all the works
Thy hand hath made;
I see the stars,
I hear the mighty thunder,
Thy power throughout
The universe displayed;
When through the woods
And forest glades I wander,
I hear the birds
Sing sweetly in the trees;
When I look down
From lofty mountain grandeur
And hear the brook
And feel the gentle breeze;
Then sings my soul,
My Savior God to Thee,
How great Thou art,
How great Thou art!*

Our thanks to Slina Prothe, Linda Prothe, Barb Herrs, and Terry Vogts for crafting the two beautiful new banners first used at Easter. These are the first in a series of planned new banners. The materials are supplied with memorial funds from Leland Prothe's mother Irene, and the banners are given in her memory.

As they take a break for the summer, our thanks to choir director Kathy Peckman, accompanist Becky Stuzman, and all the choir members for their faithful service and beautiful contributions to our worship!

New Bible Class "These Are a Few of Our Favorite Hymns"

We recently began a new study in Adult Bible Class, *These Are a Few of Our Favorite Hymns*, looking at the background and meaning of—and singing!—beloved hymns. Join in Sundays at 9:00am in the Overflow to get a deeper appreciation for your favorite hymns!

Portals of Prayer

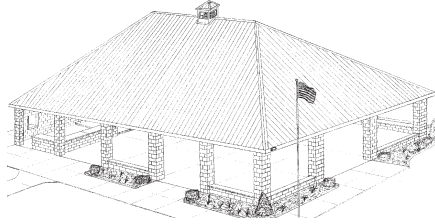

The devotional booklet *Portals of Prayer* for April thru June is available in the small literature holder in back of the church, in standard size, large print, and a new "digest" size (same size as *Reader's Digest*). A great way to keep close to the Lord!

Easter Egg Hunt

Our thanks to Twin Valley 4H for again sponsoring the annual Easter Egg Hunt on our church grounds on April 4. More pictures are in the Photo Gallery on our church web site at www.trinitycms.org/photos.

Trinity Lutheran Shelter House

Spring is here! What do we think when we hear spring? New growth. And just like seeds growing into beautiful plants—Trinity is growing! Out of the ashes of our beloved school, a new foundation of faith is forming; the Trinity Lutheran Shelter House.

The shelter house design has the distinct look of the Trinity Lutheran School which so many of us attended. By late summer, we will have a wonderful new building to host Trinity events. Imagine youth events, church services, church and family gatherings, etc. being held at this new venue. What a wonderful community outreach this will be!

Our Blocktoberfest Committee has helped light a fire under this project by donating profits from previous years' festivals to begin funding the shelter house. Although the voter's assembly of Trinity has approved construction of the shelter house with insurance funds from the loss of the school, our committee feels the shelter house is a memorial to the "144 years of God's Grace and Blessings" (the theme from our school closing event). Some of us can boast of six generations of our families who attended the school!

We have established a fund raising drive to help with the construction cost. As you remember the foundation of faith you gained as a student of TLS and all the happy memories, won't you consider a memorial donation to this project? Donations can be mailed to Trinity Lutheran Church, 34944 Block Road, Paola, KS 66071 or placed in the collection plate. Be sure to earmark the donation "Shelter House Fund". For fun, please note the years you attended the school. All donations are tax deductible.

Thank you to all those who donated so many lovely lilies to beautify our sanctuary for Easter! Thanks also to Barb Dillenbeck for arranging and caring for them.

We had such a wonderful gathering at the closing of our school event with over 500 in attendance, but some of those contacts were lost in the fire. We are asking everyone to please forward this to all of your former classmates and friends to join us in establishing this new community gathering place as a memorial to our school. Maybe our classes would like to accept a fund raising challenge!

For further information about this project, you may contact the Shelter House Committee at blockshelterhouse@gmail.com. You may also contact the fundraising committee co-chairs Susan Henry (913-461-3399/susankhenry@yahoo.com) or Stacey Elkinton (913-259-9444/sdelkinton@gmail.com). If you have any great ideas to help them with fund raising please let them know!

Blessings to all. Thanks for your help!

Nursing Home Services May 31

You are invited to help Trinity provide brief worship services for nursing home residents at Country Club Estates and Vintage Park on Sunday, May 31. The simple services are approximately 20 minutes in length at each home. We begin at 1:30pm at North Point and then go to Medical Lodge for the second service. The residents really enjoy these services, especially singing their favorite hymns. You can help by coming to greet the residents and singing along.

Could you—individual, family, or group—serve snacks sometime after worship? One Sunday in May and all of June remains open. Consider signing up for special occasions such as birthdays or anniversaries. There is a sign-up sheet on the table with the snacks. Our Generations group has generously agreed to provide and prepare the coffee and juice each week, so those signing up are only asked to provide some treat. Thank you to all those providing snacks for Coffee Hour!
